Dear Parents/Carers,

I am pleased to be able to share with you the report from our recent Catholic Schools Inspection. The report reflects the inclusive community in which everyone is valued as a gift from God, and we strive to 'Learn Together in God's Love' every day.

The report grades the school as 'Good' overall and the Catholic Life and Mission of the School as 'Outstanding'. This demonstrates the hard work of staff, pupils and the school community to live our lives as witnesses to the Gospel values.

As with any inspection there is an opportunity to reflect and acknowledge aspects we can improve. The areas for improvement reflect the recent developments in the RE and Prayer and Liturgy Directories which have been revised in the last couple of years. As a school we are fully committed to addressing these aspects to ensure we provide an excellent education for our pupils whilst supporting their spiritual formation.

The staff and pupils worked hard to achieve this success during the challenges of the heat wave at the end of June. I would like to thank them for their dedication and we are particularly proud that the children's exemplary behaviour was highlighted in the report

Thank you for your kind words and support during the inspection. They were much appreciated.

Yours sincerely

Mrs Maria Kemble
Executive Headteacher
