Home Learning:

On Sunday 8th November it is the Hindu Festival of Diwali which is sometimes called the Festival of Light. As we will be learning about other faiths, can you make a Diya lamp collage like the one below as Hindu's use these lamps to light up and decorate their home during Diwali. Or you could make a Rengoli pattern. These are colourful designs used as a form of wall and art decoration in India. They are a huge part of Diwali celebrations. Or you could draw around your hand and make a Mehndi pattern which are also used to celebrate Diwali.
