

Friday 10th April

Hello everyone! I hope you are all well and have been enjoying the gorgeous weather. Over the couple of weeks we have been busy trying to complete a 1000 piece jigsaw together. It was very tricky at times to find the right pieces, but it was good fun and a great feeling to complete it this morning. I've been busy in the garden again although my next challenge is how to keep my two chickens Bluebell and Hazel out of my raised beds! They are very cheeky!

I'll write again soon. Take care.
Love from Mrs Mulligan x
