

Is it b or d?

Which one will win?

Is it b or d?

A game designed to help early readers and writers discriminate between two commonly confused graphemes: b and d.

Directions

1. Print and construct the dice.
2. Print and laminate the 'Is it b or d?' worksheet.
3. Roll dice.
4. Trace over what is rolled, working from the bottom to the top of the worksheet with a whiteboard marker.
