

Friday 15<sup>th</sup> May

Hello everyone! I hope you are all safe and well. It's been a bit cooler this week but I have still been spending a bit of time in the garden.

Two of our chickens, Bluebell and Hazel have also been enjoying a wander around. They are getting more and more confident and came right up to the back door earlier today. For a minute I thought they might even try to come inside but luckily they didn't! This week when I have been on walks with my family we have noticed different types of butterflies. Yesterday we saw a Peacock butterfly relaxing on the grass - it was beautiful!

I'll be in touch again soon. Take care.
