

Pre-school Newsletter: JULY 2022

Dear Parents and Carers,

We are nearly at the end of the summer term and for many it will be time for us to say goodbye as your child goes on to start school in September. It has been a pleasure to get to know so many of you, we will miss you all and are looking forward to seeing some of you as you pass the office window on your way up to Early Years.

1. We will be having a small leavers celebration on Wednesday and Thursday afternoon. This will be our chance to say goodbye and have some fun and games. Any leavers who do not attend either of these sessions, will be invited in via email. We will be having party games, dancing, party food and saying our goodbyes. We look forward to celebrating with the children.
2. We have been learning about the life cycle of a butterfly this term. The children have had the opportunity to watch the caterpillars transform in to butterflies from their cocoons. The children were very excited when we let them fly free in the school garden. The children have continued their learning, by making their own caterpillar out of paper mâché.
3. The weather has seen the welcome return of the paddling pool. The children have had great fun each morning and are learning all about keeping themselves safe in water and in hot weather. They are also really good at taking turns going down the slide in to the water. Please continue to apply sun cream to your child each day before they attend preschool.
4. As always, if you need to see your child's play partner or a senior member of the team at any time, please don't hesitate to speak to a member of staff, who will be able to help you.
5. Please can we ask you to return the completed PAF forms Mrs Constant handed out by Wednesday 20th July. If unsure of what to fill in, please don't hesitate to contact Mrs Constant in the preschool office.
6. Term dates: Our last day at preschool is Thursday 21st July 2022 and we return the week commencing the 5th September 2022.

We hope you all have a wonderful summer holiday and we look forward to welcoming back, those of you returning in September.

Sharron and the Pre-School Team
