21st September 2023

Dear Year 6 Parents

As you are aware, the Year 6 Statutory Assessments (SATs) will be taking place in May. In order to prepare the children for these we are providing them with booklets to use at home to help them practise some of the activities they will meet in the assessments. There will be a booklet for Maths, Reading Comprehension and Grammar, Punctuation and Spelling. We would ask that you encourage your child to work independently each week completing one activity in each book.

The Year 6 staff will begin by setting a task in one of the six books to get the children familiar with the format and will introduce the others each week. This should take approximately 30 minutes in total. The class teachers will let you know which pages the children are to complete each week and when they need to bring the books into school to be checked. The children will review the activities in class and discuss them with the class teacher but they will not always be marked individually. If there is something your child is finding difficult or doesn't seem to understand please let the class teacher know.

The booklets cost approximately £24 if purchased from a high street retailer. We are asking for a contribution of £13 towards the cost. Please pay online via www.scopay.com by Friday 29th September.

Thank you for your support.

Yours sincerely,

Maria kemble
