19<sup>th</sup> October 2023

Dear Parents/Carers,

Last year, as a school, we moved to using a new scheme of work for the teaching of Art produced by 'Kapow Primary' and thanks to your contributions the children were able to take part in a much wider range of activities.

This year we will begin to use Kapow for our Design and Technology teaching. As with Art, the reason for this move is to ensure progression of skills, improved end products and more food preparation content. Lessons will also introduce the children to using new tools and equipment.

In order to make this change as successful as possible, we are again asking for a voluntary donation of £5 per child, payable via Scopyay. This will allow us to fund new materials and resources that will make all of these exciting changes and learning opportunities possible.

Many thanks for your support.

Yours sincerely,

Miss Mayhew and Mrs Rushbrook
