

Mrs Herlihy's One Page Profile

What I would like you to know about me.

- I love being part of the St Edmund's and St Joseph's family
- I have a big family of my own including 5 children, and 4 grandchildren
- I love to read, and go on long walks
- I love music and dancing
- My favourite colour is yellow and my favourite food is chocolate
- I love to chat!!

Something I find tricky is...

Drawing - my pictures do not look like the image I have in my head
Not worrying - I need to remind myself that I can get help with worries by talking to others

I can help you by...

- Listening if you need to talk to someone
- Giving a friendly smile if I see you in the corridor
