

Mrs Kemble's One Page Profile

What I would like you to know about me.

- I like taking my dogs, Archie and Scottie, on long walks, especially at the seaside.
- I have four children, two boys and two girls.
- I love reading. The first book I remember reading by myself was The Magic Finger by Roald Dahl. My favourite book is Rebecca by Daphne Du Maurier
- I love music and often go to concerts.

Something I find tricky is...

Using new technology especially if I don't understand the instructions.

I can help you by...

- listening to you
- showing you how to do things when you find it tricky
- talking to others who might be able to help you
