

Mrs Mulligan's One Page Profile

What I would like you to know about me.

- I love music and singing! I really enjoy singing with you all at school and I also sing once a week with a choir.
- I have a cat called Jasper and a dog called Luna.
- I really enjoy being outside, especially going for long walks and swimming in the sea.
- I like gardening and growing my own vegetables. I also enjoy cooking and experimenting with new recipes!
- I love reading and like to share books I have read with friends.

Something I find tricky is...

- Maths - it is a subject that I sometimes struggle with and I might need more help or practise to help me understand.

I can help you by...

- Listening to you and giving you time to say how you feel.
- Encouraging you to keep trying even when things seem tricky.
- Checking that you understand instructions and changing the way I explain if you are not sure.
