

Mrs Hazelwood 's One Page Profile

What I would like you to know about me.

- I like baking cakes when I have the time.
- I like going to Baileys Café for a coffee and a cake.
- I like playing board games at Christmas time with my family.
- I love going to the seaside even in the Winter.

Something I find tricky is...

Using the laptop.

I can help you by...

- Developing your speech sounds.
- Practising using your working memory to remember instructions.
- Teaching you how to sequence and retell a story in your own words.
