

Mrs Ruane's One Page Profile

What I would like you to know about me.

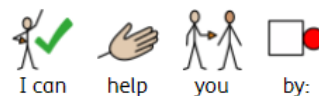

- I have three children, Katie, Evie and Thomas.
- I enjoy walking my dog, Honey. She is a labrador.
- I wear glasses.
- My hobbies are running, reading and knitting/crocheting.
- I like science but I also enjoy finding out about the past.

Something I find tricky is...

Using technology. I always need to ask someone to help me.

I can help you by...

- Listening to you.
- Showing you how to do things by explaining and using equipment.
- Building your confidence and reminding you what you are good at.
