

Mrs Soar's One Page Profile

What I would like you to know about me.

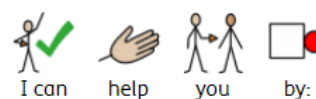

- I love stationery and journaling. I write down all the things I want to remember and stick photograph's, washi tape and stickers to make my pages look colourful.
- I have three dachshunds called Sherlock, Watson and Dougie and three cats called Loki, Leni and Luna.
- I really enjoy reading and my favourite children's author is Julia Donaldson.
- My favourite subject at school is Maths and I enjoy solving problems.
- I enjoy spending time with my family and particularly in the summer when we can have barbecues.
- My favourite colour is pink and my favourite number is 4.
- I am autistic and like to help others who are neurodivergent.

Something I find tricky is...

I find it difficult going somewhere new or trying something new where I don't know the expectations or the people I might meet.

I can help you by...

- Explaining things to you again if you don't understand them.
- Showing you an example of what to do or using a visual prompt to support you.
- By listening to you if you are unsure of something or your're feeling a bit sad.
- Giving you time to process and share your answers.
