

# Mrs Bates' One Page Profile

What I would like you to know about me.

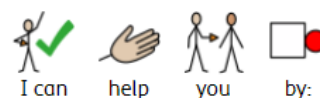

- I like going on long walks, especially at the seaside.
- I love the sunny, warm weather.
- I love reading. My favourite book is Matilda by Roald Dahl. I always wanted to have her powers.
- I enjoy sports and like to play netball and rounders.
- I love music and often play it around the house.
- I enjoy playing board games. Monopoly is my favourite.

Something I find tricky is...

Using new technology, especially if I don't understand the instructions.

I can help you by...

- Listening to you.
- Spending one on one time with you or working in small groups.
- Showing you how to do things when you find it tricky.
- Talking to others who might be able to help you.
