

Ms. Selby's One Page Profile

What I would like you to know about me.

- I live with my partner, five cats and a Royal Python.
- I am a Toffee (Everton FC supporter).
- I really enjoy the countryside and travelling around the world.
- I used to work for Mars Confectionery (and yes, that meant free chocolate!)

Something I find tricky is...

Getting to grips with new technology.
Dealing with spiders.

I can help you by...

- Listening to you.
- Building your confidence in subjects you find more tricky.
- Making you laugh, especially with my unusual hats in winter.
